

*Rev. Stephen F. Mason, Pastor*

Dear members,

Did you ever think you'd see times like these? We find ourselves living in times that none of us could have ever imagined. There is trouble in every direction on the globe—trouble! Everyone seems to be confused and looking for the solution to a multiplicity of problems. Christ is being pushed out as our ONLY HOPE!

I apologize for taking so long to address you, but please know that I miss you more than any pastor could miss a group of people. I thank you so much for the cards, text, emails, and other gestures of love. I have read every correspondence sent to me and have sought to extract your feelings into my heart. Please know that although I am in a health battle; because of the grace of God, the church is operating smoothly. Please pray for me and my family, most of all pray for this world because contrary to the non-biblical assessment thousands of people are making, this world will only get worse (2 Timothy 3:1-5).

Lastly, please stay focused on what the bible actually says and not what people assume should happen.

Trusting in Christ Alone,

*Stephen F. Mason, Pastor*
